## *Welcoming Pineapple*

This block combines 2 classic quilt blocks and 2 techniques. A foundation paper pieced (FPP) New York Beauty and a Drunkard's Path. The drunkard's path is made with a template you can cut out and trace.

The New York Beauty block was a favourite of one of my tipsters, Isobel King. She specialized in hand-piecing her New York Beauties.

Note: If you own an Accuquilt, use your drunkard's path die, email me for suggestions on the NYB.

**There are 3 additional pdfs with this - use the 1-inch square to check size - you most likely will need to enlarge 103 % to have each block at 6.5**
